Built Strong. Engineered Right.

SAFETY & HEALTH POLICY

Conbell Engineering Private Limited

At Conbell Engineering Private Limited, the **safety and health of our employees, contractors, visitors, and stakeholders** is of paramount importance. We are committed to providing a **safe, healthy, and hazard-free working environment** in all our engineering, fabrication, and project activities.

We achieve this by:

- Complying with all **applicable statutory safety, health, and environmental regulations**.
- Identifying hazards and implementing effective **risk control and preventive measures**.
- Ensuring proper use of **Personal Protective Equipment (PPE)** and safe work practices.
- Providing **regular safety training and awareness programs** to employees and contractors.
- Promoting a culture where **safety is a shared responsibility** at all levels.
- Investigating incidents and near-misses to prevent recurrence.
- Continuously improving safety performance through **monitoring, audits, and corrective actions**.

Management is committed to **consultation, participation, and continual improvement** in occupational health and safety performance.
